2018-2019 Academic Year-Long Field Trip Permission Slip

Dear Parent/Guardian:

Field trips are a wonderful way to enrich your child's education beyond the walls of our school. In an effort to streamline this process and make it easier for all, we have devised a year-long permission slip. By signing this year-long field trip permission slip, you are granting permission for your child to attend all field trips offered through the New London Visual & Performing Arts Magnet School for the 2018-2019 academic year.

Teachers will provide you with information about each planned trip one week prior to the date of the trip. You can also view information online on our calendar at bdjms.org/arts/Calendar. They will communicate specifics, including: location, date of the excursion and time of both departure and return to campus. At that time, you may withdraw your permission for that specific field trip, if you so choose, by communicating in writing to your child's teacher prior to the day of the field trip.

Signing this form grants permission for your child to attend all field trips offered through the New London Visual & Performing Arts Magnet School for the 2018-2019 academic year by the following modes of transportation: walk, chartered bus, van/auto and adult driver.

I give permission for: _____ to attend any field trip
